159. The Company in meeting of Members may upon the recommendation of the Directors resolve that it is desirable to capitalize any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account or otherwise available for distribution, and accordingly that such sum be set free for distribution amongst the Members who would have been entitled thereto if distributed by way of dividend and in the same proportions on condition that same be not paid in cash but be applied either in or towards paying up any amounts for the time being unpaid on any shares held by such Members respectively or paying up in full unissued shares or debentures of the Company to be allotted and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in the one way and partly in the other, and the Directors shall give effect to such resolution. Capitalization of profits by bonus issue etc.

160. Whenever such a resolution as aforesaid shall have been passed, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalized thereby, and all allotments and issues of fully paid shares or debentures, if any, and generally shall do all acts and things required to give effect thereto, with full power to the Directors to make such provision by the issue of fractional certificates or by payment in cash, or otherwise as they think fit for the case of shares or debentures becoming distributable in fractions, and also to authorise any person to enter on behalf of all the Members entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further shares or debentures to which they may be entitled upon such capitalization, or (as the case may require) for the payment up by the Company on their behalf, by the application thereto of their respective proportions of the profits of the amounts remaining unpaid on their existing shares, and any agreement made Director's duties and powers in capitalization

under such authority shall be effective and binding on all such Members.

161. (1) The Director may, with the sanction of an ordinary resolution of the Company:-

Issue bonus shares
without
consideration

(a) issue bonus shares for which no consideration is payable to the Company; and/or

(b) capitalise any sum standing to the credit of any of the Company's reserve accounts or any sum standing to the credit of profit and loss account by appropriating such sum, to the members who would have been entitled thereto in the proportion to their then holdings of shares in proportion to their then holdings of shares and applying such sum on their behalf in paying up in full unissued shares (or, subject to any special rights previously conferred on any shares or class of shares for the time being issued, unissued shares of any other class not being redeemable shares) for allotment and distribution credited as fully paid up to and amongst them as bonus shares in the proportion aforesaid.

(2) The Directors may do all acts and things considered necessary or expedient to give effect to any such bonus issue and/or capitalisation under Clause 161(1), with full power to the Directors to make such provisions as they think fit for any fractional entitlements which would arise on the basis aforesaid (including provisions whereby fractional entitlements are disregarded or the benefit thereof accrues to the Company rather than to the members concerned). The Directors may authorise any person to enter on behalf of all the members interested into an agreement with the Company providing for any such bonus issue or capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

(3) In addition and without prejudice to the powers provided for by this Clauses 161(1)(a) and 161(1)(b), the Directors shall have power to issue shares for which no consideration is payable and/or to capitalise any undivided profits or other moneys of the Company not required for the payment or provision of any dividend on any shares entitled to cumulative or non-cumulative preferential dividends (including profits or other moneys carried and standing to any reserve or reserves) and to apply such profits or other moneys in paying up in full new shares, in each case on terms that such shares shall, upon issue, be held by or for the benefit of participants of any share incentive or option scheme or plan implemented by the Company and approved by shareholders in meeting of Members and on such terms as the Directors shall think fit.
